

Millbrook National Stages Rally

Monday 30th May 2005

MARSHALS REPORTING INSTRUCTIONS

Thank you for your kind offer to Marshal on our event this year.

Access to the proving ground must be as the enclosed map. Please note, the road though Millbrook village has a 6'-6" width restriction and is Out of Bounds to all cars. Your vehicle pass will be handed to you when you sign-on, this is to be displayed in the centre upper edge of the windscreen. No access to the venue will be gained if these passes are not displayed. Entry to the venue will be restricted after 7.30am.

On Monday access to Millbrook will not be available until 06:00. The paddock and the link roads of the proving ground will be very busy and therefore will be restricted to 10mph speed restriction. On arrival please report to Marshals Signing On which is in the employee Car Park at the entrance to the venue.

The first car is due to start at 8:30 am, so we would ask all marshals to arrive between 6.15am and 7.15 am so that we may have everyone in place by 7:30am.

Please remember no one under the age of 18 is allowed in the venue.

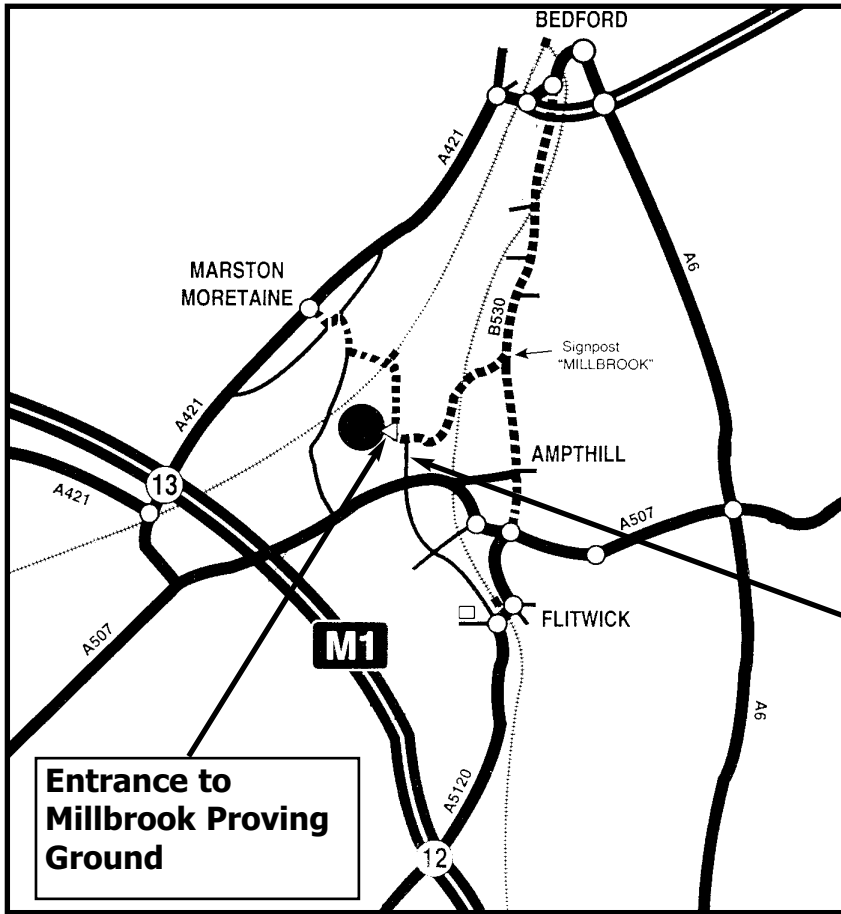

From the 16th May 2005 more information for Marshals will be available to download from the Website - www.wecc.co.uk.

We look forward to seeing you on the day and to a good days sport.
